--The MAILING DATE of this communication appears on the cover sheet with the correspondence address--

The Appeal Brief filed on 16 July 2003 is defective for failure to comply with one or more provisions of 37 CFR 1.192(c). See MPEP § 1206.

To avoid dismissal of the appeal, applicant must file IN TRIPPLICATE a complete new brief in compliance with 37 CFR 1.192(c) within the longest of any of the following three **TIME PERIODS**: (1) **ONE MONTH** or **THIRTY DAYS** from the mailing date of this Notification, whichever is longer; (2) **TWO MONTHS** from the date of the notice of appeal; or (3) within the period for reply to the action from which this appeal was taken. **EXTENSIONS OF THESE TIME PERIODS MAY BE GRANTED UNDER 37 CFR 1.136.**

1.  The brief does not contain the items required under 37 CFR 1.192(c), or the items are not under the proper heading or in the proper order.
2.  The brief does not contain a statement of the status of all claims, pending or cancelled, or does not identify the appealed claims (37 CFR 1.192(c)(3)).
3.  At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 1.192(c)(4)).
4.  The brief does not contain a concise explanation of the claimed invention, referring to the specification by page and line number and to the drawing, if any, by reference characters (37 CFR 1.192(c)(5)).
5.  The brief does not contain a concise statement of the issues presented for review (37 CFR 1.192(c)(6)).
6.  A single ground of rejection has been applied to two or more claims in this application, and
  - (a)  the brief omits the statement required by 37 CFR 1.192(c)(7) that one or more claims do not stand or fall together, yet presents arguments in support thereof in the argument section of the brief.
  - (b)  the brief includes the statement required by 37 CFR 1.192(c)(7) that one or more claims do not stand or fall together, yet does not present arguments in support thereof in the argument section of the brief.
7.  The brief does not present an argument under a separate heading for each issue on appeal (37 CFR 1.192(c)(8)).
8.  The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 1.192(c)(9)).
9.  Other (including any explanation in support of the above items):

At page 5 of the brief, Appellants assert that "Appellants have argued the patentability of claims 36 and 37 separately from claims 1-5, 8-11, 31, and 33-35". However, this assertion does not constitute an argument as to why Appellants believe that claims 36 and 37 are separately patentable from claims 1-5, 8-11, 31, and 33-35, as is required by 37 CFR 1.192(c)(7); and nor does there appear to be any such argument contained in the brief.
